

The Upcoming Tornado , The „uproaring Sea“, „the Beast from the Sea“ and 3 Visions

**At the beginning of my letter, a devotional by Oswald Chambers with the theme;
Called by God**

„I heard the voice of the Lord saying, "Whom shall I send, and who will go for Us?" So I said, "Here I am! Send Me." Isaiah 6:8

God did not address His call directly to Isaiah - Isaiah heard God say, "...who will go for Us?" God's call is not just to a few, but to all. Whether I hear God's call or not depends on the condition of my ears, and what exactly I hear depends on my spiritual attitude.

Dear Nadia and friends, it was the same with us when we were called by God to start a ministry of reconciliation and a reappraisal of our European past that was accompanied by prayer journeys and reconciliation conferences.

My dear friend Nadia... , **I am writing to you personally now, but this letter is also meant for all other brothers and sisters** who realize that NOW/YET the time of conversion and repentance has come. i have already passed on these visions a few times, back then after i saw them, and also when i came here to this country in the house group of a church, but the prosperity gospel is preferred. One had NOT been interested in it.

Now that 18 years have passed after the vision in France, and God brought us both together in His divine way, I want to write it down again, and this time for everyone, everyone I know,

friends, pastors leaders etc.... **.your vision from 2015 and what I saw in 2004 are somehow related and THEREFORE they need to be shared again. .**

God gives us all again the possibility to turn back, to HIM, because the sword of God over Europe and the world is set. I write now and trust God Almighty that HE will touch the hearts that receive these messages through HIS Spirit.

We must prepare for a " coming storm " for which most are not prepared!" So similarly Norbert Lieth preached on New Year's Day, and the guided "encounter" with you were the "signs of God" for me, now is the time to speak.

I am aware of the responsibility of what I write here, and ask God to help me .

This "virus" has hit the world like a fall axe and so God has also shown it to me through His Word. It is the beginning of the hour of temptation that has come over the whole world! And nobody can escape anymore, the only "life-saving" is only in Jesus Christ.

Before I come to the actual message of what we saw, I would like to go back to the days up to 2000 and before, because they were the preparation for the visions, to warn. For you who know me, our reconciliation work for **Germany, Poland and Israel ended in 2002** with the conference in Bad Harzburg. For the others who do not know anything about it again briefly described.-----

Over the period 1996 - 2002 we traveled by bus, flew in planes or drove by car to and through Poland. The main goal was always Auschwitz and other concentration camps, as well as visiting Christian churches in the country with the goal of reconciliation and cooperation between Germans and Polish people

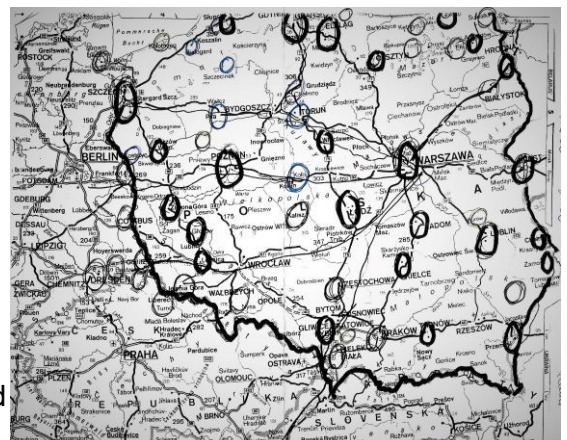

(right picture:: consternation in camp1)

We asked God for forgiveness for everything that happened at that time (we did it like children, in faith) and prayed to God that we would be strong not to look away, should something like this come up again. (((,““Honestly? At that time I didnt even think about the book of revelation and what John have been able to see in the spirit,, the end of the world! „““)))

Christians from Europe visited all the camps in Poland and several in Germany.

The above map is an illustration of the visited cities, towns, places in Poland and on the border of Germany with Poland.

As said before. From 1996 - 2002, over the period of this time God gave us the possibility in the churches in Poland with Polish brothers and sisters to become again "one" and to be allowed to make "amends" in different areas. It was GOD'S GRACE and his guidance, we know that for sure. Besides our trips, we had got the possibility to be able to hold a reconciliation conference in **Warsaw.**

So in the year 2000 pastors and brothers and sisters from Poland, Ukraine, Belarus, Romania, Czechoslovakia, as well as Germany, Switzerland, England met to gather and hear God's word. It was a very moving time. (see pictures below)

Art Katz our speaker in Warsaw, as well as our Polish translator and prayer leader, Wanda, now already with Christ, as well as myself.

It was a very blessed time and GOD answered many of our prayers. and we learned a lot!

It was a service of love that all together could do for each other and for the Lord! After the conclusion of this Polish/international conference we felt in our hearts that there was still something that needed to be "worked out". European and German past. **So we planned a new conference for October 2001,**

**70 years after Hitler had killed the last
Franz's field the last 24 standards at.... read more:
" by "consecrating" (A.H.) the last 24 Standarte/Fahnen, to this blood flag.**

((The "blood flag" soaked with the blood of the putschists became a Nazi relic - all new

NSDAP flags were "consecrated" with it.)))) <https://www.mdr.de/geschichte/hitler-putsch-prozess-100.html>

When we came to terms with this we knew... **our conference in Braunschweig had to become a demonstration against what Hitler carried out on Franz's Field at that time! We love our country and we want to stand before God and ask HIM to look at Germany graciously once again. This was our leitmotiv!**

We had the opportunity to rent the city hall in Braunschweig and there brothers and sisters from Holland, Israel, Germany and Switzerland gathered to hear from God.

One day we had an outreach where we read the word of God from the tribune where Hitler held his speech at that time (everyone read God's word aloud!!!) and we raised our **JESUS flag, which we made especially for that Event, we wanted to raise the NAME OF JESUS there!**

There.....to **GIVE HONOR TO GOD'S SON**, and to raise his name on this place against the powers of darkness and to **PRAISE** and HIM. **JESUS CHRIST** (see pictures below)

Braunschweig and an outreach on Franz's Field(see picture below) in October in the year 2001

In this context we became aware, we will come together again in Bad Harzburg, And it happened! **This was beginning in the year 2002** (Judenwiese in Bad Harzburg 2002 righthand)

The reason for this conference in BAD Harzburg, in which Christians from Israel, South Africa, Holland, Switzerland, Germany and Poland participated, in 2002 was,

.....that the then church of both denominations, took the side of the leader to serve him! Our mission was on the Judenwiese, ((significantly)) where also the Catholic and Protestant Churches surrendered to the "Führer" with the H. salute!

We had studied the whole history of the subjugation of the pastors and priests at that time and so we came to the conclusion, they had betrayed Christ ! (Except for FEW!)

All conferences had one goal, we wanted to stand before God and ask him that something like the silence of the churches in the Third Reich could no longer be carried by Christians! Therefore it frightens me today even more that I SEE the same attitude of the church leaders today AGAIN! All their "confession letter (documents)" are unfortunately not worth the paper on which they were written, because history repeats itself! And this time even more blatantly.

After all had gone home, I went again to Poland to my dear Wanda, who had always done the translation and was our dear spiritual Mama!) We had a good time together and then I had in the night a profound vision that moved me incredibly and did not leave until now. (seen 2002 today 2022!)

1. VISION of the spiritual state of Aliyah

In this vision, I was lifted up in spirit and I looked from above at the things that were going on below me. **My eyes fell on a crowd of people moving toward an old truck and I saw one by one being lifted, or jumping up, onto the bed of this old truck.** The image I saw was a bit blurry regarding the people, but I saw that they were being loaded and I was quite moved as to what that was.

Suddenly I saw that above the truck with the people was an arch! I thought, I know such an arch, it looks like in the camp I visited several times. But these people came FROM this place, and the lettering was not there either??? Then I had to turn my gaze and I suddenly saw a huge writing in front of my eyes and there was OPERATION EXODUS ... !!!! I was paralyzed!

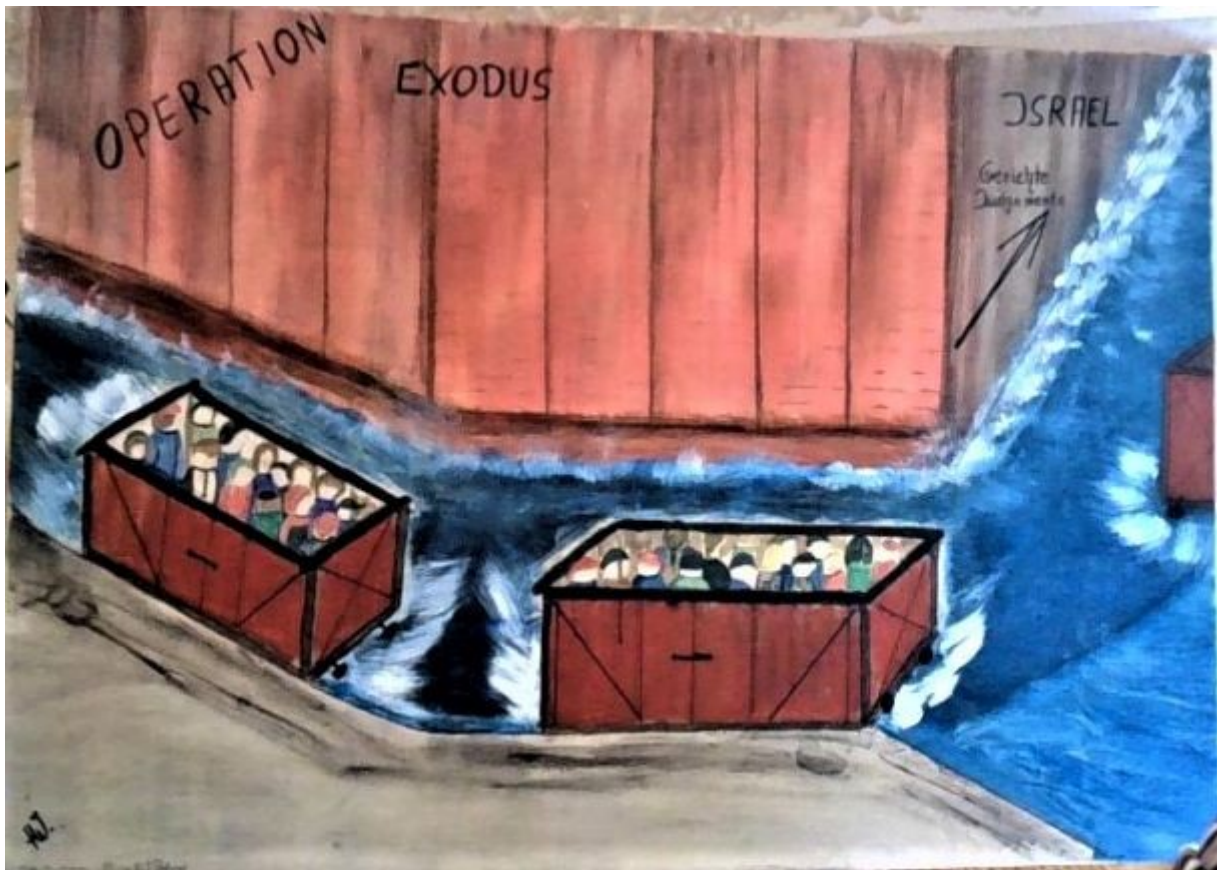

Then all of a sudden the place changed and I was standing directly at a quay of a harbor. In front of me was a very high k.. came very slowly around the curve of the quay wall at the rear left end a ship and it drove towards me... But the closer the "ship" came the more I froze. Because,,,, suddenly I saw that it was not ships but these ships looked like the old freight cars that brought people from Europe to the camps! The closer these "ships" came, the more horrified I was. The first "ship" came directly to me and I saw people standing in it! These people did not see me at all, they stood rigidly in these "ships without roofs" and just stared straight ahead as if they had surrendered to their fate!

©Hanna 2015 Paintings

While the "ship" drove past me I recognized that it drove directly out on the open sea... direction ISRAEL!!! While I looked at this situation stunned and helplessly with, a terrible thought came to me and I shouted... **LORD they go yes directly to a court place!!! then I became awake. My heart beat and I knew, GOD HAD SPOKEN!**

But what was he trying to tell us? ((This turned out later after God's Spirit opened our eyes to Biblical truth.))

At that point there was only one thing on our minds, where is this port? What needs to be stopped?

This vision I had to tell Operation Exodus, (that was in 2002, see recorded in the picture!), which I then did in writing, I wrote them a letter and told them **one must stop this Aliyah**, but one rejected what I was allowed to see in the spirit, the invisible world. But I did not let go of what God showed me.

(I saw it from above like this painting wich I have done !)

People were jumping from the behind on the loading area of an old truck from the 30years... but **they were NOT going to a camp! They were taken from the nations and brought to Israel by ships and planes!** This was GOD'S WARNING! God warned that we were on a wrong path. Not Russia or other nations were a danger the people, it will be the State they will be brought to! We must realize the true spiritual connections. God does not want them in the State in the Middle East **but in CHRIST!** But this was denied to them by the contracts O.E. had to sign with the Jewish Agency! **Observers of J.A. always went with the ships to control that the Gospel is not preached because that was contractually forbidden!** And today, the country in the Middle East is the leader for Vacces at all people!

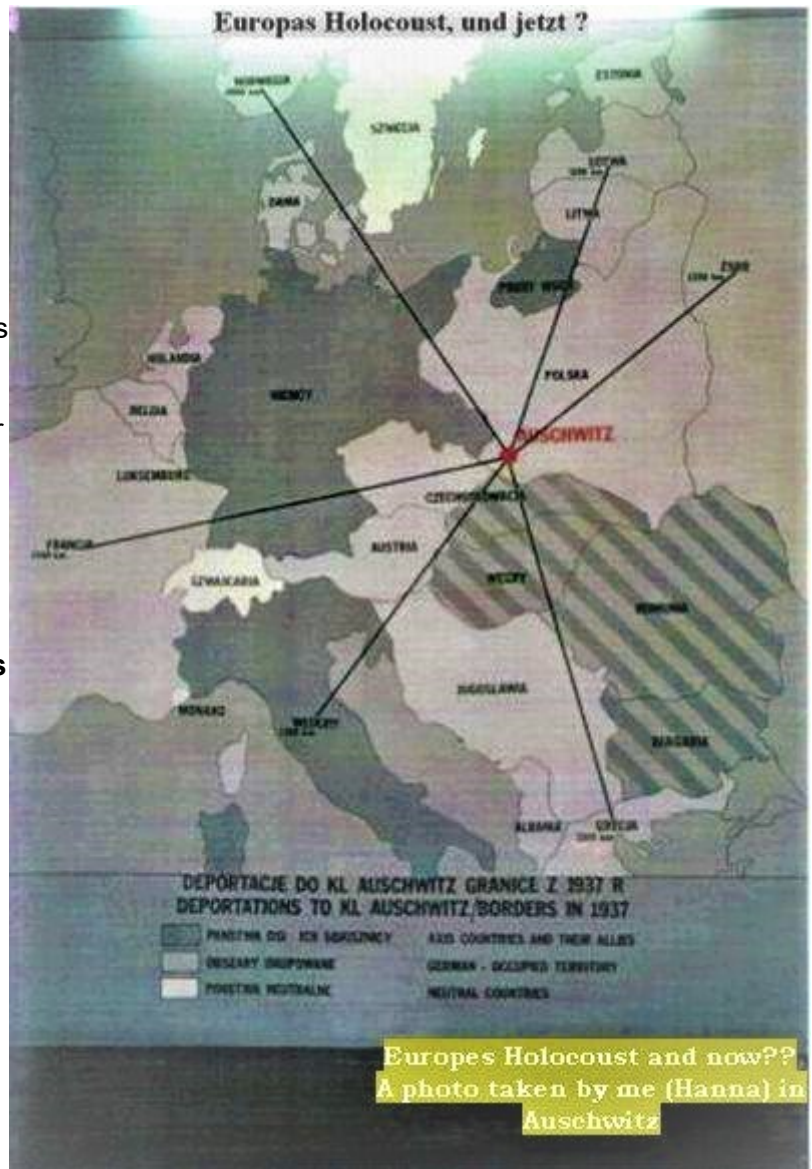

People who had survived the Holo, died and will still die now from the consequences of the Co... or the vaccinations!!! Now comes the war and millions more will die. But I had been threatened when I warned and they even intended to throw me out of a car! I was told "" this country is a "safe haven", **which it is NOT!**

((This photo below was taken by me in Auschwitz. I posted it here because Eben Ezer, Operation Exodus have now taken the exact UPREDICTED path, ...from all nations to ISRAEL!))

Today, in 2022, almost exactly 20 years after God gave this spiritual insight into the invisible world, I recognize with pain in the heart what GOD MEANT!

He did not want that humans are delivered again as a "victim" in more than one respect. Since the rejection and crucifixion of the Christ the country in the Near East is no more the promised country and Jerusalem no more the city in which God establishes his temple.

Even if one tries to quote Bible passages for it, **God judged Israel at that time for they crucified the Messiah and ONLY the "chosen people" of those who accepted the Christ of God and recognized that HE was the promised redeemer, were counted to God's Israel.** This is the salvation from the Jews (the first apostles and disciples and all those who came to them) and only this "spiritual land" which is Christ is the one that counts before the God who made the heavens and the earth and gave His SON to be the SAVIOUR of the world.

Now we come to the last part of my/our way of the Reconciliation work and to the 2nd vision, which is similar to yours.... yet quite different!

Foundation of the Organisation in 2004 and God's speaking

So now we wanted to add us also in the already existing row of the "Christian Israel Ministries" and thereupon in **February of the year 2004 we founded an organization called: "International Network of Reconciliation"**. We wished to be on the side of the state, why? **Because of the teaching we were given!** „We had to serve Israel as Christians, otherwise God would judge Germany and Europe.“ so they taught us. We were frightened by the vision of Steve Lightle and we decided to help the Jews. (I will talk on this in the second part!)

So we thought we would found the organisation so that we could serve in a better way. From

Kenya, Poland, South Africa and Germany we got together and applied for the foundation. In order to have an **organization banner, we made a beautiful flag and on it we had written::: Prepare the way of the Lord"**. We presented it for the first time at the founding of the organization. Our heart was aligned to the CHRIST OF GOD who will come again!

Pictures below (raised to the organization founding and in the 2nd photo... it was hanging up in Jordan in my prayer dwelling, in Amman where it is still

Now it was April 2004 and I was about to go to Switzerland to attend a conference there, the "Easter Conference" which is held every year by the Midnight Call in Switzerland. Norbert Lieth had preached at one of our conferences once and we were connected in spirit,. Now I was preparing for the trip there. While I was sitting at the table praying and thinking about all I should take with me, God's SPIRIT spoke to me from God's clarity:

" Besides your own things, take the two flags with you and I will send you on a great journey and in the cities you come to, you will build me a prayer altar!"
WOW!

What a great perspective! Had I/we already organized prayer journeys and trips to many Polish and German cities in the previous years, now it was to go to the western part of Europe! After I had settled everything with the other brothers and sisters, with a great sense of joy I set off. I had packed everything I needed. I especially took care of the banners. **Namely, the JESUS FLAG (hoisted in Braunschweig!) and our organization banner "Prepare the WAY for the Lord" had been raised for the first time at the foundation of the organization. And now these flags are to be raised in European cities! WOW.**

"Lord, you must lead me, I do not know how to do it. But I like to drive for you! " I drove off. First to Switzerland for the conference and then trusting where God would lead me.

My/our prayer tour was meant to "bring God's people home" (the others who could not come prayed with me). We thought we had to pray that HE would bring them to Israel, but then I learned something else (as described above).

With this attitude I drove. Switzerland, then Lichtenstein, Italy, Monaco, France Cote Azur, San Remo, Cannes then further into the heart of France, Marseille, Lyon, Dijon, Paris. From Paris to Holland, then Belgium and via France, Strasbourg back to Germany. **So 2 weeks had passed and I had visited 7 nations.**

In each nation I stayed overnight one or 2 or 3 days, as God showed it and there everywhere my flags were raised or outstretched, depending on how I found space and possibilities. In all cities it was peaceful except **for the city of... Paris.**

I had arrived in the city at night, it was already dark and I did not know where I could have spent the night because I did not know my way around. I asked in different hotels and got the answer, we have a big meeting in the city and the hotels are all full. And now?? I then received an information in which I was told, there is still a hotel you can ask there. So I left and went to that Hotel, which was the GEORGE V, not far from the Champs Elysee. I went in and asked if I could get a room for one night. Yes, but it costs 430,00 euros. !!! Believe me, I rented it! What should I do, we had our finances which were provided to us at that time by an incredibly dear sister and we had promised God to give it back to HIM. I checked in and a Roomservant came and took my luggage and me upstairs to the 4th floor and escorted me to this room.

Impressive with old wallpaper on the walls, big furniture, it was a big room . But I had to sleep and I entrusted myself to God.

After I had unpacked everything, also my banners came to the row, I hung up one in the room and the club flag

"PREPARE THE WAY FOR THE LORD " Prepare the way of the LORD " Mark 1, 1-8,

I hung it lengthwise from the window directly along the outer wall of the house, so that it could be seen from the outside and in the inner room the JESUS FLAG was hung up.

So I went to sleep after taking out my Bible and praying. I had not been in bed long when I suddenly woke up and saw the following::

The whole room filled with a vision it was as if the room was a big giant screen!!! and I was © Hanna 2016 in the middle of it, as if I were in the cinema, but I was in the "movie"

myself.....

I suddenly saw myself walking up a street, it was a little upwards, as if I was climbing a small mountain. But it wasn't a mountain, it was a road. While I was walking, I was walking on the right side, I realized that someone was following me and I knew it was not a „good ghost“ but I kept walking until I reached the top and I was standing at first like on a shore to the sea and yet I was not looking at a sea but into it. **While I was watching the water I felt the danger of the surging waves and I felt as if the waves were above me. While I was seeing all this, I looked into the**

extreme depth of the sea and I was almost overcome with horror because I saw **"THE EVIL" brewing**. I actually felt that it was demonic what was brewing there, the demonic brewing! The waves around me were fearful and threatening. While I still looked in there I recognized my view on the "borders" of the sea waves was directed. I recognized on the right and on the left all at once high stone walls And while I pondered and asked where I knew these stones from, it was suddenly clear: These stones were "Jerusalem's stones". These stones are the building blocks used in Jerusalem, aren't they? Why is that????? What are the Jerusalem stones doing here? And I became then totally awake with heart palpitations and I knew that God had given me an insight into the **spiritual world about Paris and France!** I began to walk praying in the room and asked God to help me what it all meant. The next morning I asked where I was and asked where the Elysee Palace was, I also wanted to pray there. I was told..... 5 minutes from here!

I became clear all at once, this flag outside of the hotel, which I had hung up, had been noticed by the spiritual world and God had given me an insight what this nation will hatch ... I have always asked myself why I had to see this in Paris, however, when I read then from Nadias vision I heard, (approx. 2 weeks back!) also this last question was answered to me,

God had shown it to me with it and wanted to warn the Christians who wanted to bring the people to Israel.

In Paris the disaster was brewing which will become the greatest disaster for the history of mankind in the last end.

We read in the revelation that there is a false prophet and a beast from the sea (people sea!). If we assume that since 2019 and the declaration of war of the president to the people, which was also a simultaneous declaration to all those who have joined in the sea of nations, then I should have seen **in 2004 what will come to us and 15 years later now, it is THERE!**

It came now like a fall axe over the nations and aims at humiliation and enslavement of mankind. By repeated confirmation on the part of different brothers we must recognize that with the virus crisis the last days were brought about, which will **decimate now with the preparation of the planned war (already in preparation!) the so-called Gog and Magog war mankind around that the adversary of God can establish its world domination**. The sea I saw was deeply demonic. Now it is HIGH TIME to warn the people to turn to the CHRIST OF GOD, to JESUS CHRIST so that HE can still forgive sins and give ETERNAL LIFE, that HE wants!

We must connect the beast from the earth with Jerusalem, namely with the Chabad movement which are also the head of the snake of the corona snake, the crowned snake! This movement will then bring the world under their religious control with their NOAHIDE LAWS (Noahide Laws!), where anyone who confesses Christ as the Son of God will be beheaded. Source:<https://asknoah.org/a-moral-code-to-unite-all-mankind>

If I had not got this insight into the demonic occult world, held under GOD's good hand, I would not want to believe it. But God has confirmed it by the CHRIST.

It was not different in the times of Jesus, the Pharisees and scribes used the Romans to eliminate the Messiah who was sent to them because they were "not allowed" to kill! Today they use the governments of this world to kill also the disciples and followers of the Messiah they hate. **The last time of persecution will be at the end a TRIUMPH for the church that belongs to CHRIST and CHRIST will do away with his enemies with the breath of his mouth.**

And now, dear Nadine, I still want to insert your vision and so our friends or enemies can recognize what GOD has let you see and decide what they want to believe. (See below my last photos!) Your sister in CHRIST Hanna and if you want, it would be VERY GOOD, if you would translate it into your language and pass it on! GOD BLESS YOU and all friends who read it!

I painted the vision in 2016 and changed the picture several times, because you can not paint the feelings, but what I saw is on the painting!

Now at the end of this letter the vision which Nadia had, in 2015

""In fact, at that time (2015) I was studying the book of Kings, especially the passage of Elijah facing the prophets of Baal, the torrent of Kerith and the widow of Zarepath. 1 Kings 17 and 18.

I was in prayer at the time and at that time the vision came to me. I saw the picture of Marianne that everyone knows among the soldiers. But in that picture there were hundreds of French flags everywhere and everything was filled with blood. I saw the cross in that picture, but it was not complete, the top was missing (where it is written elsewhere, now I think about Jesus being the King of the Jews).

The cross was like this, a capital T in a French letter. I know Hebrew and know that Jesus' cross was T-shaped and not as seen in churches. But the fact that part of it was missing sent me into an indescribable and incomprehensible panic when it was not seen. I panicked and kept saying "we have to warn them, we have to warn them".

After that I saw Jesus with a huge yoke on his shoulders, he was wearing the crown of thorns (sin) but his face was blurred. Then I see the same picture of Marianne again, but this time there was a monument in the middle. And I didn't know what it was. And I said in a panic "but what is that monument sir, what is that, I don't know". Finally, by researching on

the Internet, I found what it was. It is the July Column, which is located in the Place de la Bastille in Paris.

This July column bears the devil above the "Angel of Light". Who turns his back on Jerusalem and rules all of Paris. It turns out that Napoleon Bonaparte had the sarcophagi that are under this column brought from Egypt. But the amazing thing is that in front of this julicolumn there was a monument "the Fountain of Regeneration". It was the goddess Isis on her throne. I admit that I was stunned to learn all this. Little to see, practically no one knows in France.

Then in my research I found the archives of the time and noted some in the video. I will write them down for you so you can also see some of these writings: 86 commissioners representing each department will come to drink from the cup of water flowing from their breasts.

"The feast will be a mock baptism" Feast of the Supreme Being. "

"We are all his children," was written at his feet. This shows the will of the people to identify and define themselves in relation to their natural and egalitarian origin.

The first article of the Decree of 18 Floréal proclaims that "" the French people recognize the existence of the Supreme Being and the immortality of the soul.

"The French come together to celebrate the feast of unity and indivisibility."

"The rally will take place on the site of the Bastille. In the midst of its ruins we will see the source of regeneration, represented by the nature of its fertile breasts, which it will squeeze with its hands, will flow abundantly pure and healing water, of which 86 commissioners will drink in turn.

"The President of the National Convention, after watering the soil of freedom with a kind of libation, will drink the first ..."

"On a stretcher, an arch, it will be open and it will contain the tables on which the human rights and the constitutional law will be engraved" ... On the existing remains of the base of tyranny will be erected the Statue of Liberty

The inauguration of which will be solemn ...

Offers from all free Frenchmen, tricolor, cap of liberty ... and all emblems pleasing to the goddess ...

At its feet will be a huge funeral pyre ... the impostors will be offered as expiatory sacrifices ... there in the presence of the beloved Goddess of the French. ***

The French clearly expelled God at that time.

It should also be known that as long as there was a king, eventually, even if they were corrupted or others, they obeyed the commands of God by anointing that king. When they brought that king to the stake, the drumbeat became louder because they did not want to hear what the king was saying. He prayed during the psalms and when they cut off his head, he cried out and asked God to forgive them and not to impute the king's blood to them.

All this was done by the Freemasonry of that time. Be it the statutes, the beheading of the king. And at that time they exterminated thousands of Christians (which is not told in school). The French said it was an act of patriotism to do so. They will do the same shortly. The feast they made during the offerings at the feet of the goddess, etc., is called "the feast of reunification or" the feast of unity and indivisibility.... " it took place on August 10, 1793 and soon became 230 years old.

After all this, I asked God "but what relationship between Elijah, the widow of Sarepta and what I saw" ... You should know that the word Sarepta in Hebrew is "Zarfath" and if you ask a Jew how do you say France? in Hebrew "we will answer you zarfath".

Of course, the Sarepta of the Bible was in Sidon, but that doesn't stop us from saying italia or spain when we say it. When we speak of Egypt in Hebrew, we don't say Egypt, we say "Misraim". For France, it is the same. And just like in Eli's time, the Jews only saw through false prophets, etc. ... like Eli and the other 50 prophets today, the righteous before God were kept during the three and a half years of drought. They were certainly in the midst of it too, but they were fed. For me, it was a comfort for the days of tribulation that are fast approaching.
NADIA....

Today is January 19, 2022 and this is the first part Hanna
